

## ABHI AGARWAL

My name is Abhi Agarwal. I am a Computer Science student pursuing B.Tech from "Dronacharya College of Engineering, Farukhnagar". I have a keen interest in Hacking, Coding, Gaming and photography. I like to travel. I believe travelling gives you a new perspective to everything. You get to know a lot about the different cultures, the cuisines, their history, the language and all the small unique things every place has to offer.
